

Each life is precious -  
unto itself -  
from the tiniest insect  
to the greatest tree . . .  
Vigorously it must protect  
its right to be -  
- and to become . . .  
Upon this one obsession  
rests . . .  
the continuance of the universe . . .

## Dedication

Words are not adequate to express our sincere admiration for a man who has dedicated his life to education. He has worked unselfishly for us and because of this, we, the senior class wish to dedicate our 1975 yearbook to MR. ARTHUR PEDLEY!

You Get Out Of

Just What  
You Pack In It

## Special

To a man, who for the past two years has always "been there" from concessions to the Proms, we, the Senior Class would like to express our deepest gratitude. Mr. Quattrini has withstood our bickering during class meetings to our smiles of success and for this we thank him.

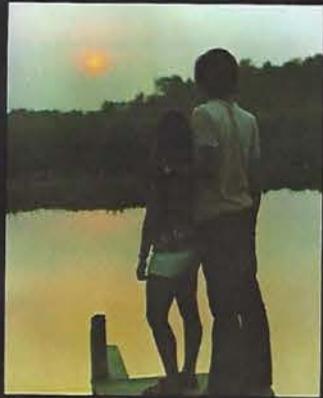

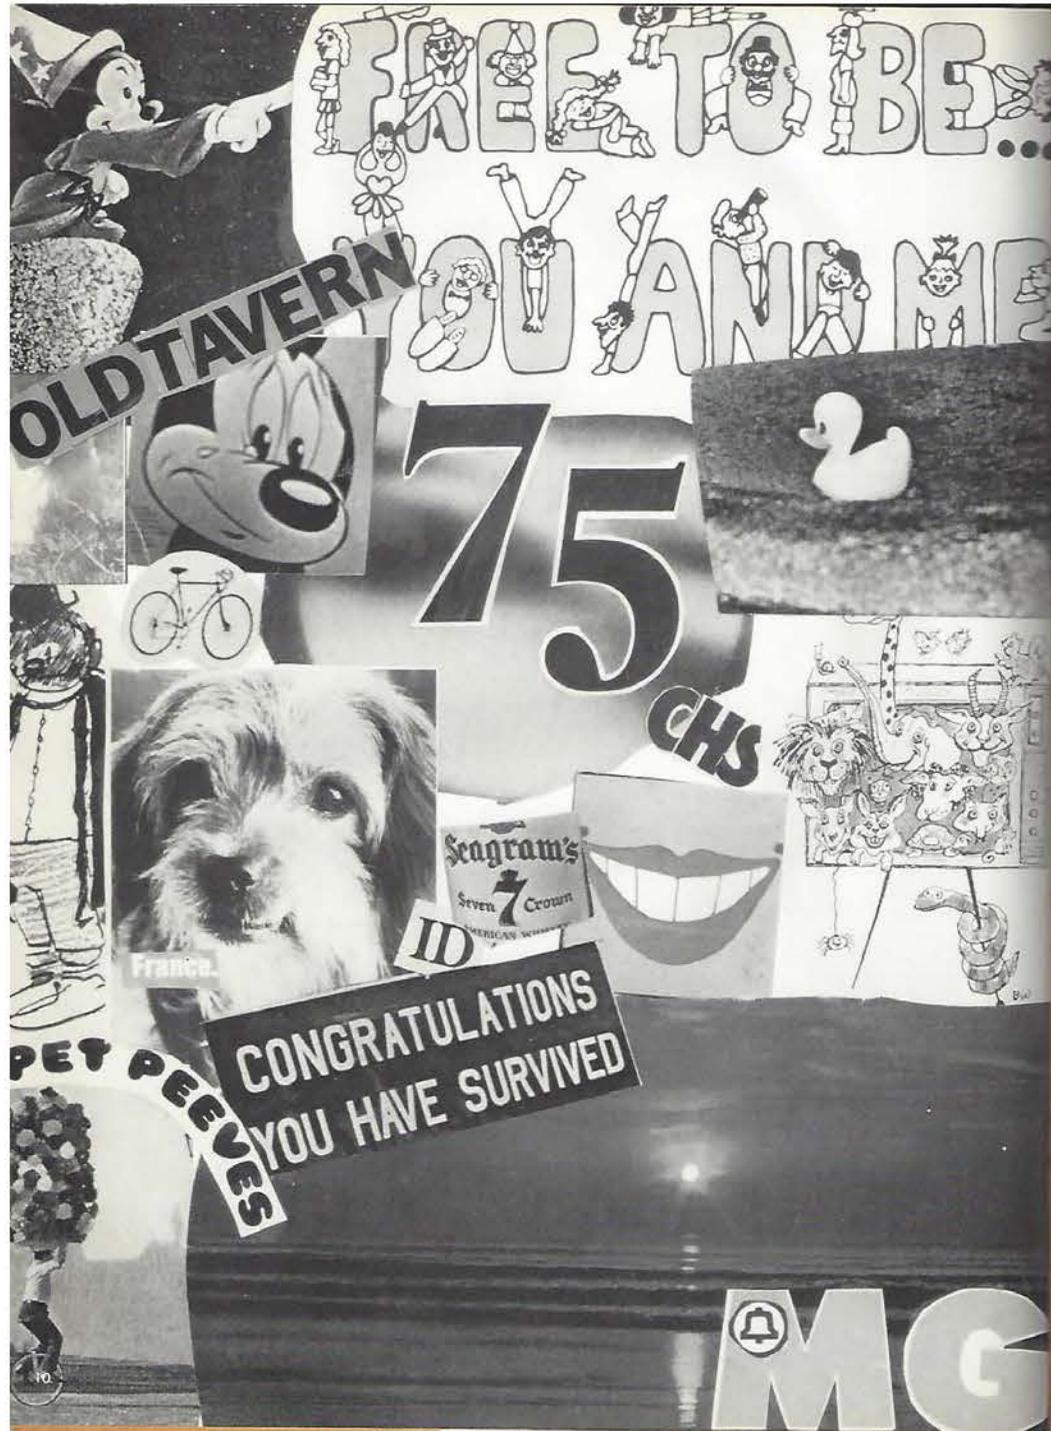

## Appreciation

We, the Senior Class, would like to express our thanks to an individual who is always working behind the scenes. Millie has always been willing to help us with various problems, and has been an indispensable factor in the success of the Senior Class.

We've laughed, we've loved, we've played, we've won.  
This reflects our past, our present,  
and hopefully our future . . .  
Yet to come . . .

To the Class of 1975,

Congratulations on your graduation. As you leave Canajoharie High School, you enter into a very demanding world. It will challenge you at every turn and the test of a person's worth is how he responds to those challenges.

In the past two years I have seen each of you grow tremendously. By continuing to grow each year in the future, you will be successful in meeting those challenges.

To each of you I extend my sincere best wishes for a successful and rewarding life.

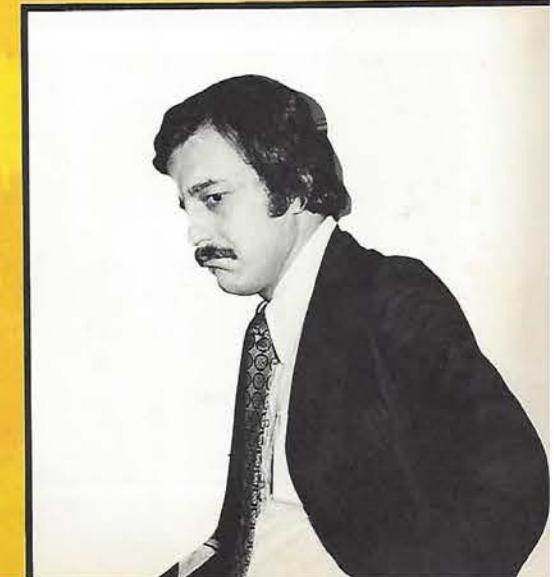

Fred Zamperetti  
High School Principal

To the Class of 1975,

I welcome this opportunity to express my congratulations and best wishes to you. All of us are proud of your many past accomplishments and look forward to your successes of the future.

You should be well-prepared to meet the future if you accept its challenge and continually strive to do your best. I feel confident that the determination and desire of each of you will serve you well in life. Hopefully, success and happiness will be yours.

Thomas Mickle  
District Principal

"Don't you want my autograph?"

"Aren't I pretty!"

"I think I swallowed a pit!"

Well . . . ?

Mother never told me about Ultra Brite

I'm going to bite your neck. Chomp!

Goodbye Yellow Brick Road  
 So goodbye yellow brick road,  
 Where the dogs of society howl,  
 You can't plant me in your penthouse,  
 I'm going back to my plough.

Back to the howling old owl in the woods,

Hunting the horny black toad  
 Oh I've finally decided, my future lies  
 Beyond the yellow brick road.

American  
Field  
Service  
1975

Marilyn Hillairet, our exchange student from Ceez, France, has been a welcome and warm addition to our community as well as our class. She has given us new insight into both French and American lifestyles. Having Marilyn as our exchange student this past year has given many of us a chance to view American life as never before. Although living in America has been a new and sometimes trying experience, she has readily become as American as "apple pie a la mode."

Joel Leneker represented our community this summer as an exchange student to the Netherlands. He spent as much time in the country as the city. During part of the time he worked in an environmental camp. Joel took in many different aspects of the country and its people while travelling across "the land of the windmills." He even managed to catch a ride on one. Joel brought back to Canajoharie not only his unusual anecdotes, but a piece of the Netherlands - a pair of wooden shoes.

The 1974-1975 season proved very successful, for the team was Divisional Co-Champion. Excitement filled the gymnasium as the "chips-down" team gave their fans final-second victories against our rivals - Fonda, Fort Plain, and Cobleskill. Dave Hodge was named Co-Player of the Year. Joe Lavery and Dave Hodge were named to the All-Star Team. Congratulations boys for a tremendous season.

# Wrestling

This year's wrestling team remained undefeated in the league for the 10th time in 11 yrs. with a 9-0 league record and an 11-3 record overall. The team had winners and runner-ups in each of the 3 tournaments in which they competed. They had 8 members of the team compete in the Section 2 tournament representing Class "C". With 5 of the starters graduating this year, they hope that with hard work the team will do as well in the future to keep the Canajoharie Wrestling tradition alive.

### GREETS THE STUDENTS OF CANAJOHARIE CENTRAL SCHOOL

We of organized labor not only strive to improve the lot of our own members but we also strive to serve the needs of the people of our nation. In Washington, D. C., and in Albany, we constitute a genuine people's lobby, working to secure social and economic legislation that will benefit all the people, young and old, workers and students.

In our local communities we support, through united effort, the social, educational, character building and charitable voluntary agencies which also serve the people's needs.

The men and women of the Bakery and Confectionary Worker's Local 697 in your community wish you success in your endeavors.
